COMPSEY
CREAMERY

Who We Are

Compsey Creamery is a wholly owned subsidiary of Mullinahone Co-operative. The co-operative was founded in 1893, when a group of local farmers joined forces to add value to their production and secure the economic future of their farming families. Today, the co-operative is a thriving business with several business units, one of which is Compsey Creamery (founded in 1985).

Our Values

At Compsey, ethics and sustainability are at the heart of our business strategy. Our sustainable business model benefits the environment, customers, employees, farmer suppliers, our community and the planet.

What We Stand For

ENVIRONMENT

- Bord Bia Origin Green member
- Our packaging is 100% recyclable
- Repak member (an environmental not-for-profit organisation, with a social mission)
- Participant in All Ireland Pollinator Plan
- Investing to reduce energy and water consumption on site
- Major PV solar generation installation in operation

ANIMAL WELFARE

- All milk suppliers are and must be Board Bia Quality Assured, this programme covers all aspects of animal health and welfare
- Our milk is supplied by family-owned farms within a 5km radius
- The cows are all grass and grass silage fed, spending most of their time at pasture

COMMUNITY

- We are the largest employer in the area
- Perfect employee gender balance
- Proud and major sponsor of local sports clubs
- We provide services for milk suppliers such as milk recording and quality assurance scheme administration
- Proud members of the Tipperary Food Producers Group

NUTRITION

- Exceptional dairy is in our nature
- Our team bring passion, pride and precision to our production lines, delivering nutritious and flavoursome products to our customers
- Our product is low in saturated fat due to the grass-fed nature of the cows
